Scrap Card Mosaic Panel with Gold Embossed Grout

EIN PROJEKT AUS UNSERER LIVE-SHOW - CATCH UP WITH SIMON FOR MONDAY MADNESS IN THE HOW TO CRAFT...

ÜBER DIESES PROJEKT

A striking background panel made from colourful card scraps arranged in a brick or random pattern with gaps between each piece, then enhanced with gold embossing powder in the gaps to create a tiled, grout-like effect. Perfect for using up leftover card and creating a masculine, feminine or children's card depending on colour choice.

Aus der Show: CATCH UP with Simon for Monday Madness in the How To Craft Network Studios 20th Sept 21
Gezeigt: 20. September 2021
Das Projekt beginnt: 25:30 nach Showbeginn
In dieser Anleitung: 13 Schritte

IN DER SHOW ANSEHEN

SCHRITT FÜR SCHRITT

1

SCHRITT 1 VON 13

Cut card scraps into 1-inch strips, each 3 inches long, using a paper trimmer for consistency.

DIESEN SCHRITT ANSEHEN - 26:45

2

SCHRITT 2 VON 13

Prepare a double-sided adhesive sheet pre-stuck to a piece of card, then peel away the backing to reveal the sticky surface.

DIESEN SCHRITT ANSEHEN - 27:45

3

SCHRITT 3 VON 13

Arrange the first card strip onto the sticky surface, leaving a deliberate gap between it and the edge.

DIESEN SCHRITT ANSEHEN - 28:15

4

SCHRITT 4 VON 13

Continue adding strips in varying colours and tones, rotating the direction and leaving consistent gaps between each piece to create a brick or random pattern.

DIESEN SCHRITT ANSEHEN - 28:45

5

SCHRITT 5 VON 13

Fill any remaining gaps with smaller leftover scraps, adjusting the pattern as you go.

DIESEN SCHRITT ANSEHEN - 29:45

6

SCHRITT 6 VON 13

Trim all the protruding edges level with the card base using the back of the card as a guide.

DIESEN SCHRITT ANSEHEN - 30:30

7

SCHRITT 7 VON 13

Sprinkle gold embossing powder generously over the entire panel, making sure it fills all the gaps between the strips.

DIESEN SCHRITT ANSEHEN - 31:30

8

SCHRITT 8 VON 13

Tap off the excess powder and heat emboss, keeping the heat gun slightly higher than normal to avoid the tape wrinkling.

DIESEN SCHRITT ANSEHEN - 31:45

9

SCHRITT 9 VON 13

Stamp a sentiment onto vellum using black ink and emboss with black embossing powder.

DIESEN SCHRITT ANSEHEN - 34:45

10

SCHRITT 10 VON 13

Tear the vellum into a band shape with an uneven edge, tearing downwards slowly for control.

DIESEN SCHRITT ANSEHEN - 38:45

11

SCHRITT 11 VON 13

Secure the vellum band across the panel using double-sided tape, positioning the sentiment in the centre.

DIESEN SCHRITT ANSEHEN - 39:15

12

SCHRITT 12 VON 13

Layer the embossed panel onto a gold glitter card border, then mount onto a black card base.

DIESEN SCHRITT ANSEHEN - 40:30

13

SCHRITT 13 VON 13

Add small black gems around the card as a finishing embellishment.

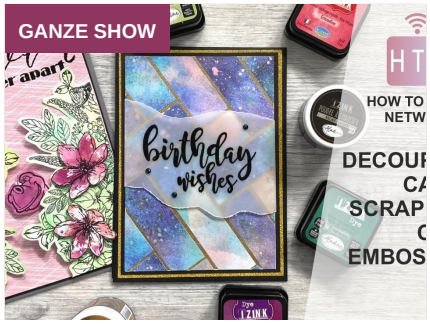

DIESEN SCHRITT ANSEHEN - 42:15

TIPPS AUS DER SHOW

- Leave gaps between each strip—this gap is essential to achieve the tiled effect.
- Keep the heat gun higher than normal when embossing tape to prevent it wrinkling.
- Double-sided adhesive sheets can be prepared in advance and stored until you're ready to use them.
