STEP 1

Use the Sweetpea Garden to emboss and die cut from the TWO kraft card squares.

STEP 2

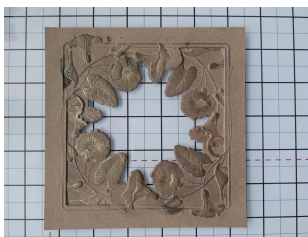

Gently wipe your Izink Reglisse ink pad over the raised, embossed areas on both the frames.

STEP 3

Once the ink is dry, apply the Gold gilding wax over random areas of your embossed frames. Buff with a soft cloth to enhance the shine.

STEP 4

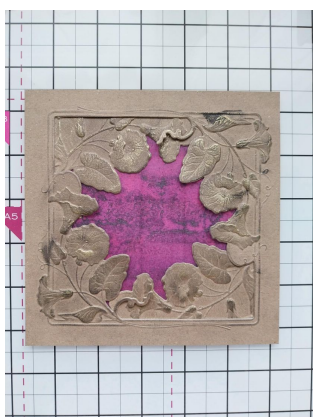

Rotate one of the frames before adhering them together, thus creating a circular Sweetpea frame.

STEP 5

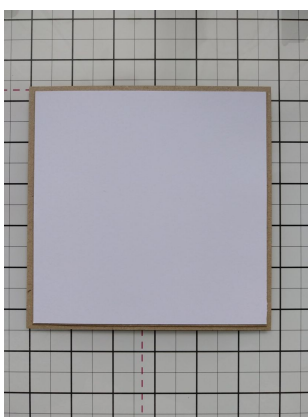

Remove this sheet from the vellum pack and trim to 5 1/2" square.

STEP 6

Adhere the vellum panel behind the embossed frames.

STEP 7

Adhere the 5 1/2" square white card behind the vellum panel, as this will help to "lift" the vibrancy of the pink!!

STEP 8

Adhere this on to the black card, cut to 6" square and then on to the front of your 7" square white card blank and pop to one side.

STEP 11
