### STEP 1

**Place the Positivity frame die on to the kraft card, cut to 6 1/2 x 4 3/4" and run it through your die cutting machine.**

### STEP 2

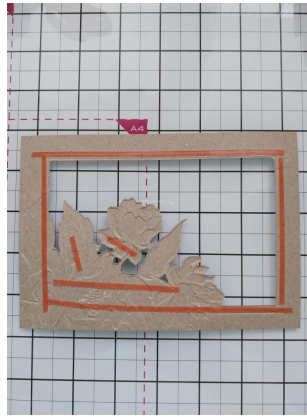

**Swipe the Izink Reglisse ink pad over the embossed areas of the frame. Start off lightly, as you can always add more ink, if required. Blast dry with a heat tool.**

STEP 3

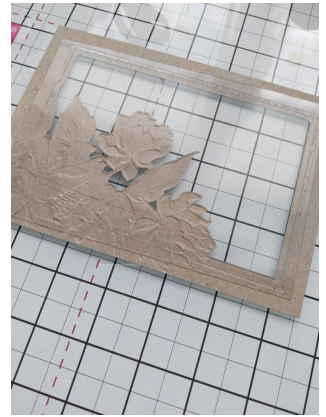

**Spray water to activate the Confetti Grasshopper paint** then using your finger, lightly apply a touch of the paint to random areas of the embossed florals. Blast the ink dry with a heat tool.

STEP 4

**Apply red liner/ double-sided adhesive tape** on to the reverse of your card.

STEP 5

**Trim a sheet of the clear acetate** so it's slightly smaller than your embossed cardstock. Peel off the protective backing and adhere to the frame.

STEP 6

**Adhere foam tape to the reverse**, ensuring you place it as close to the die cut edges as possible and there are no gaps, for the sequins to fall through! Leave the backing on for now and set to one side.

STEP 7

**Stamp the Imala Good For You, with the Midnight Hybrid ink**, on to the super smooth white card. Colour in using your alcohol markers, placing a sheet of copy paper underneath to avoid marking your worksurface with the ink that bleeds through the card.

STEP 8

**Use your Imala white gel pen** to add accents and highlights.

STEP 9

Wipe your artwork and the inside of the acetate, with an anti-static bag

STEP 10

Place your sequins on to your artwork, ensuring they are laying fairly flat, peel the backing off the double sided foam tape and carefully adhere your embossed frame on top. Give the reverse of the card a good press against the foam tape, to ensure it's sealed well, before giving it a good "shake"!!

STEP 11

Remove this decorative sheet from the Teal All Surfaces paper pack and trim to 7 x 5".

STEP 12

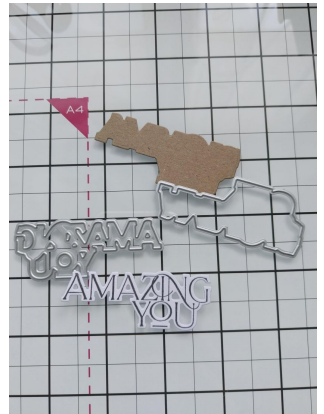

Adhere your shaker on to the decorative paper and then on to the front of your landscape, white card blank. Set to one side.

STEP 13

Stamp the "Amazing You" sentiment, with Midnight, on to a piece of white card.

STEP 14

Place the coordinating die over the stamped sentiment. Place the layering die on a piece of kraft card and run both through your die cutting machine.

STEP 15

Adhere the die cut sentiment on to the die cut mat.

STEP 16

Adhere with foam pads, to the top right of your card, to finish.
