STEP 1

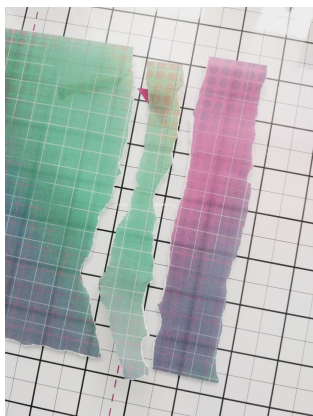

Remove this beautiful checked vellum, from the Life In Full Colour Vellum Pack and trim to about 7 x 5", incorporating the amber, yellow and green hues. Set the remaining vellum to one side, for a later step.
Place the vellum inside the Greenery embossing folder and run it through your embossing machine.

STEP 2

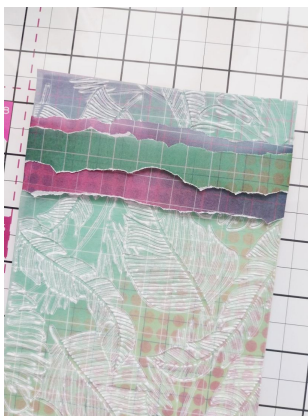

Now trim your embossed vellum to 6 1/2 x 4 1/2".

STEP 3

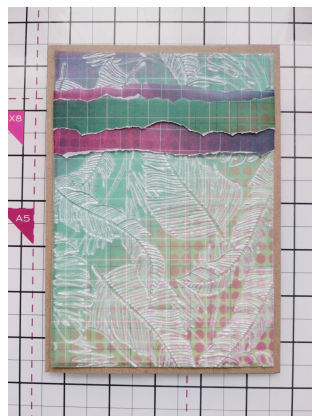

From the leftover vellum, tear 2 panels from the pink and blue hues, one wider than the other.

STEP 4

Place the widest torn vellum panel across the top third of the embossed vellum. Tuck the edges over and secure on the reverse with your adhesive tape/tape runner. Place the other vellum strip on top, again securing on the reverse.

STEP 5

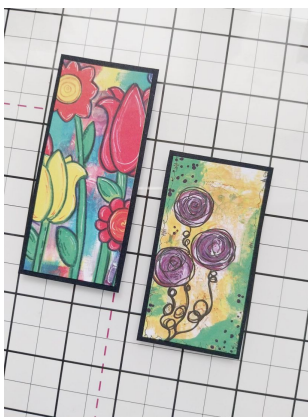

Adhere this to your kraft card blank and pop to one side.

STEP 6

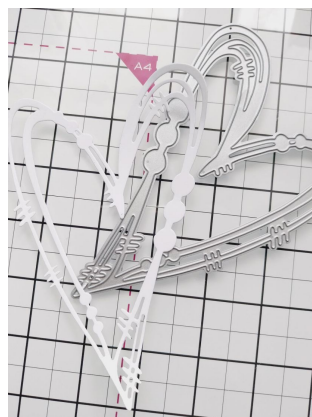

Remove this topper and banner sheet, from the Life In Full Colour A4 paper pack and cut out these 2 rectangular, floral toppers.

STEP 7

Adhere each topper to black cardstock and trim to create a "mat". Pop to one side.

STEP 8

Die cut this gorgeous heart, from the Mixed Up Heart Die Set, in white cardstock. TIP: If you want a more dimensional 3D element, then die cut 3 or 4 and adhere together.

STEP 9

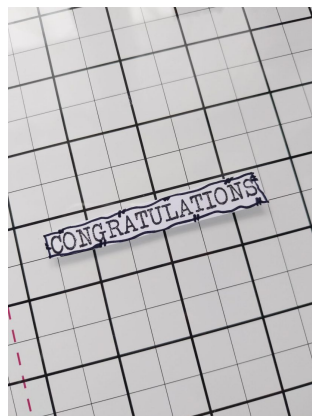

Adhere the smallest floral panel flat, in the bottom right corner of your card, before adhering your 3D heart on top, as seen here.

STEP 10

Now adhere the other floral panel, raised with foam pads, down the left side of the card, on top of the heart.

STEP 11

Stamp "Congratulations" from the More Than Words Stamp Set, in Midnight, on to a piece of white card. Trim and use a black pen to draw a decorative, wiggly frame.

STEP 12

Adhere across the bottom of your artwork, with foam pads, to complete your project.
