STEP 1

Place this beautiful painted mount, from the **Changing Seasons** pack, inside the Autumn embossing folder, so the leaves are coming down from the top left. Run through your embossing machine.

STEP 2

Lightly apply Gold gilding wax over the **embossed image**, before buffing with a soft cloth, to intensify the shine.

STEP 3

Use a paint brush to splatter **Black Soot** over your artwork.

STEP 4

Once the splats are dry, blend **Lost Shadow** through the Stag stencil. You can add a touch of Walnut Stain or Black Soot, to enhance depth and shadow within your stencilled image. Once the ink is dry, use a white gel pen to add accents and highlights.

STEP 5

Blend Walnut Stain around the edges of the mount, fading the ink out as you move inwards. Pop to one side to dry.

STEP 6

Tear a panel of vellum that will lay diagonally, across the bottom left of your mount. Use the sentiment stamp, from Thankful For You, as a size guide.

Wipe the anti-static bag over the vellum, stamp the sentiment in the sticky embossing ink and apply the gold embossing powder over the top. Having got your heat tool hot first, heat set the powder.

STEP 7

Lay the embossed vellum in place, tuck the ends of the vellum over the edges of the mount and secure on the reverse, with double-sided tape.

STEP 8

You will need TWO of these decorative sheets, from the Bronze paper pack. Cut one to 6 x 4 1/4" and the second to 7 3/4 x 5 3/4 setting the larger mat to one aside.

STEP 9

Mat your artwork on to the smaller mat and set aside.

STEP 10

Adhere the larger decorative paper mat on to your white card blank. Trim a piece of white card to 7 1/2 x 5 1/2" and affix this to the patterned paper.

STEP 11

Adhere your artwork to the centre of your layered card blank, to complete your make.
