STEP 1

Use this die to cut out the base of your wallet from your chosen paper in the Foundation pack.

STEP 2

From the decorative papers, die cut a selection of tags, toppers, pockets and sentiment panels. Ensure any tags/toppers you want to pop inside a pocket, are trimmed to the correct sizes, as required for your wallet project.

STEP 3

Ink around the edges inside your wallet, with Hickory Smoke Distress Oxide. Alternatively you can die cut a inner cover from the papers, using the other main die in the collection.

STEP 4

Stamp your chosen sentiments on the die-cut sentiment label tabs.

STEP 5

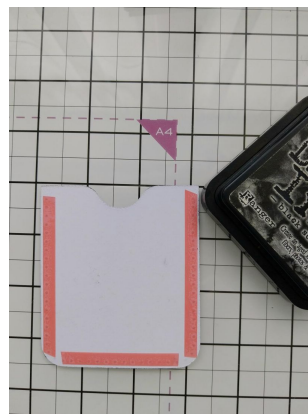

Ink around the edge with Black Soot before adhering one of the sentiment labels on the left-hand inner page.

STEP 6

Ink around the edges of a cut out floral topper before adhering to the front of your wallet. Glue another sentiment tab on top.

STEP 7

Ink around the edges of a die-cut pocket before adding red liner tape along the bottom and down both sides.

STEP 8

Adhere the pocket to the bottom of the inner right page.

STEP 9

Use a corner punch on a cut out topper, ink around the edges. You can also add a sentiment on here if you so wish.

STEP 10

Your topper can now be popped inside your pocket.

STEP 11

Here is another topper with corners punched and inked around the edges. I die cut a circle around this printed image and adhered to front of my topper, trimming off the excess. This can also be popped in pocket with an added sentiment, as required.

STEP 12

You can create as many tag and toppers as you require to complete your gift wallet. Alternatively, you could pop a gift card, money or any other giftable inside the pocket.
