STEP 1

Place the Coffee Stains stencil on top of the white card (5 3/4 x 6 3/4").

Use your palette knife to randomly apply the Izink Cool Copper Ice through areas of the stencil. Carefully lift up your stencil, and put it in a bowl of warm water, until you can clean it off. Dry the Ice background.

STEP 2

Once dry, adhere this on to the black card (5 3/4 x 7 1/4"), flush with the top and bottom, and leaving an equal gap of the black card visible, left and right.

STEP 3

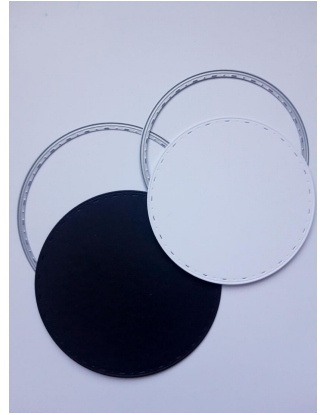

Adhere this in the same way, on to the front of your landscape, grey card blank, as shown here.

STEP 4

Use a black pen to draw a stitched line down the left, and right side edges, of the white card. Set your card to one side.

STEP 5

Take the die from the Circles Deboss Nesting Dies Collection, that measures approx 4 1/4" in diameter, and place on to your black card (5 x 5"). Place the die that measures approx 3 3/4" in diameter, on to the white card (4 1/2 x 4 1/2"), and run both through your die cutting machine.

STEP 6

Ink up the sentiment from the Beautiful Birthday Stamp Collection, with the Onyx Black Versafine, and stamp on to the white die cut circle.

STEP 7

Ink up the floral stamp, from the same set, in the Versafine, and stamp just coming on to the left hand edge of the circle topper. Repeat, stamping it on to the right hand edge of the topper.

STEP 8

Pop a little of the Izink Glacier Green Ice on to your craft or glass mat. Mix with a little water, and use your paint brush to paint your 2 stamped, floral images.

STEP 9

Once your artwork is dry, adhere on to the die cut black circle.

STEP 10

Adhere your topper centrally, on to the front of your card.

STEP 11

To finish, add a few sequins around your stamped, floral images.
