STEP 13

STEP 14

Tear out this decorative paper, from the Time To Grow 6 x 6" Paper Pad. Place the tag die, that measures $5\frac{1}{2} \times 2\frac{3}{4}$ ", on to the paper, and run through your die cutting machine. Put the remainder of the paper to one side, for a later step. STEP 21

Adhere on to the other side of your decorative tag.

Set to one side.

STEP 22

Draw a decorative, wiggly frame, around your white, top folding card blank.

STEP 23

Adhere this on to the front of your card blank.

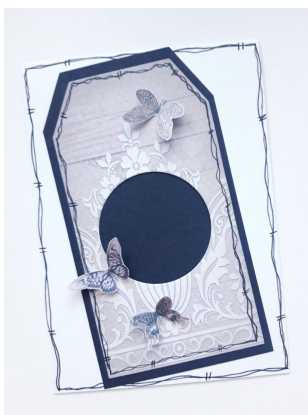

You can pop the decorative tag inside, to help you decide how you want your tag to be placed...I went for jaunty!

STEP 24

Cut out a few of the butterflies from the 4 x 4" Time To Grow Paper Pad.

STEP 25

Adhere the butterflies where required.

I took out the inner tag whilst doing this, so I didn't accidentally glue anything on to it!

STEP 26

Add some glitter where required, to finish your card. I added it to the centre of the floral images on the paper, and on my butterflies.
