STEP 1

Tear out this decorative paper, from the Subtle Tranquility paper pad.
Tear to 6 3/4 x 6 3/4. Alternatively cut the paper with your paper trimmer, then scuff up the edges with the blade of your scissors.

STEP 2

Use your HIMI Oil Pencils to add more colour, shading etc, to the images on your decorative paper.

STEP 3

Ink up the Textured Wall stamp with the Izink Reglisse, and stamp randomly on to your decorative paper.

Tear a strip from this decorative paper, 6 3/4 x 2 1/4".

STEP 9

Ink up the flower, from Beautiful Birthday, with the Onyx Black Versafine. Stamp on to the white card (6 x 5 1/2"). Dry the ink off, then cut around your stamped flower.

STEP 10

Using the final photo image as a guide, decide where to cut your stamped flower, so it has a straight edge.

STEP 11

Adhere on to the right hand side of your paper panel, with foam pads, or glue. Leave the edges loose, so you can tuck foliage behind it, in a later step. Set your card to one side.

STEP 12

Lay the foilage die, from the Pressed Flowers Die Collection, on to any of the scrap papers you have, from the pad. Run it through your die cutting machine.

STEP 13

Add accents to your foilage, with a black pen, if desired.

STEP 14

Cut out a tag, from the back of the paper pad.

STEP 15

Ink up the sentiment stamp from the Beautiful Moments Lamination Stamp Collection, with the Onyx Black Versafine, and stamp on to your tag.

STEP 16

Adhere tag tucked just under bottom left, of the floral die cut flower.

STEP 17

Adhere the foliage where required, tucked around the die cut flower.

STEP 18

Add Midas Glitter to the centre of the die cut flower.

STEP 19

To finish, add sequins on, around, and tucked under, your floral artwork.
