

It's Your Freaking Birthday

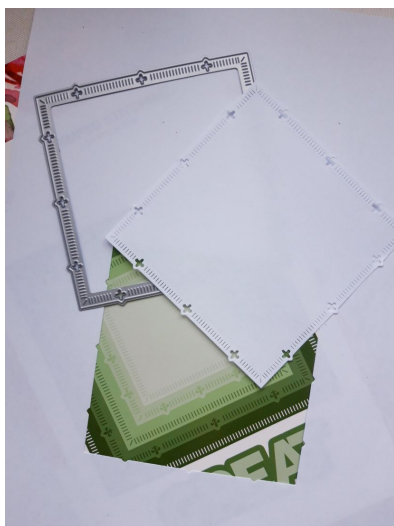

03/31/2022

WHAT YOU WILL NEED:

Black top folding card blank (8 1/4 x 5 3/4")
White card (8 x 5 1/2")
Copier paper (A4)
Stamps from Craft Stash Stamp Collection
Stamps from Celebrate And Create Lamination Stamp Collection
Dies from Crimped Stitching Nesting Dies Collection
Versafine Ink Pad: Onyx Black
Distress Oxide: Villainous Potion, Salvaged Patina, Hickory Smoke
Black pen
Blending brush
Paint brush
Eureka 101
Paper Trimmer
Perfect Together Glue
Low tack tape
Die Cutting machine

STEP 1

Place the Crimped Square nesting die, that measures approx 4 x 4", on to the copier paper, and run through your die cutting machine. This will be your "mask".

STEP 2

Place the die cut square on to the centre of the white cardstock. You can hold your mask in place using low tack tape, if required.

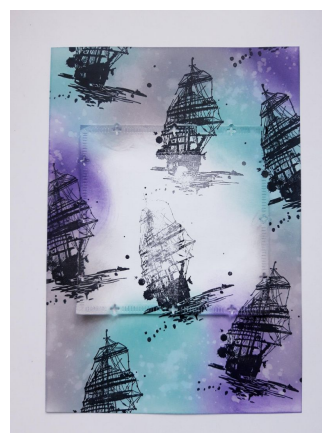

STEP 3

STEP 4

STEP 5

Blend the Distress Oxides randomly over the card, using your blending brushes/tools.

Use your paint brush to splatter water droplets over your inked background. Wait a few seconds, for the ink to lift, then mop up the excess water with a paper towel. Dry off your background thoroughly, before proceeding to the next step.

Ink up the detailed ship stamp, from the Celebrate And Create Lamination Stamp Collection, with the Onyx Black Versafine, and stamp randomly on to your inked background. Repeat this step multiple times, ensuring some of your images are stamped off the edges of the card. Ensure your images are stamped at different angles, as the effect you're looking for is one of randomness. Dry the ink thoroughly.
