STEP 1

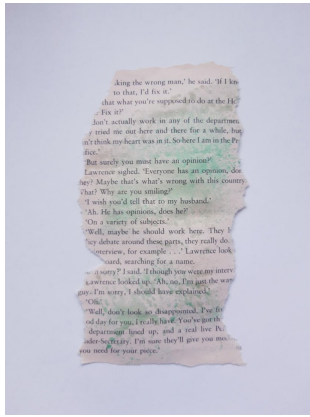

Shake the Izink Pearly Shiny Yellow Spray from side to side, to activate the mica, then spray on to your craft/glass mat. Add a little water, then pick up the ink on to the white card (7 1/2 x 5").
Dry off the ink a little.

STEP 2

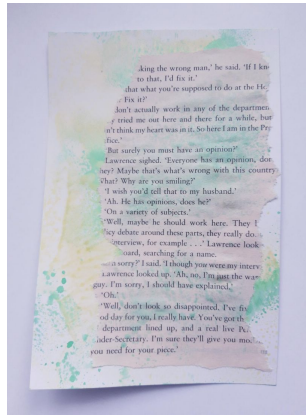

Repeat step 1, with the Izink Shiny Vert D'Eau spray, and set to one side to dry.

STEP 3

STEP 4

STEP 5

Repeat step 1 again, but this time picking up the **Vert D'Eau** ink, on to your torn book page. Dry it off.

Adhere the inked book page on to the right hand side of your dried, inked background.

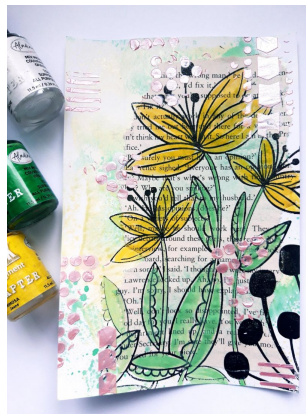

Ink up the stamp from the **Lush Leaves Creative Stamps**, with the **Onyx Black Versafine**.

Stamp off the right hand edge of your background. Dry off the ink thoroughly, before proceeding to the next step.

STEP 6

STEP 7

STEP 8

Apply the **Izink Restless Rose Pastel Paste** randomly through the **Dots And Banners stencil**, using a palette knife. The idea is to create a distressed, random look, to your artwork. Allow the paste to dry naturally, it doesn't take too long. But, if you're impatient like me, you can speed it up with a heat tool!!

Apply a little of the **Izink Pigments** to your **craft/glass mat**, add a little water, and paint your stamped image. You can use the **Avalanche** to create paler tones, or to add highlights.

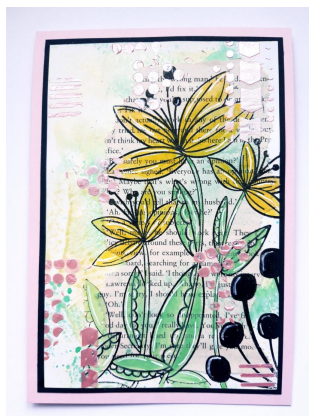

Once the **Pigments** are completely dry, you can use a white gel pen to add accents, and highlights, to your artwork.

STEP 9

Adhere on to the black card
(7 3/4 x 5 1/4")

STEP 10

Adhere on to the front of
your pink, top folding card
blank.
Set this to one side.

STEP 11

Ink up your chosen word
stamps, from the **More
Than Words Creative
Stamps**, with the Versafine,
and stamp on to the scrap
white card.
Cut them in to strips, and use
a black pen to draw a
decorative, wiggly frame,
around them.

STEP 12

To finish, adhere your
sentiments on to your card,
where required.
