STEP 1

STEP 2

Place the star stencil off the right hand edge of the white card (8 x 5 1/2").

Use a blending tool to apply the red ink, from the Izink Pigment Classic Collection, within the stencil, fading the colour out, as you move inwards.

Blend the Black Soot Oxide around the outer edge of the inked star.

STEP 3

Go back in and blend out any of the harsh black edges, with the red ink.

STEP 4

Spray the Pearlywinks Glitter Pearl Mist on to your craft mat, and use a paint brush to splatter droplets all over your inked star. Remove the stencil and dry off your background.

STEP 5

Ink up the stamp with the Onyx Black Versafine and stamp across the inked star.

STEP 6

Ink up the moon stamp with the Versafine, and stamp where required. Reink it with the white Izink Embossing/Pigment ink and stamp where the reflection would be.

STEP 7

Ink up this leafy stamp, from the Every New Day Stamp Collection, with the Versafine and stamp coming down from the top left hand corner, as required.

STEP 8

Ink up the sentiment from Reach For The Stars Stamp Collection, with the Versafine and stamp across the bottom left of your artwork.

STEP 9

Ink up the sparkle/stars stamp from the same collection, with the Versafine and stamp on to your artwork as required.

STEP 10

Adhere your dried artwork on to the black card.

STEP 11

Adhere on to your red, top folding card blank.

STEP 12

to finish, use your white gel pen to add accents and highlights to your artwork.
