STEP 13

Wipe over the die cut sentiment with your anti-static bag. Ink up your chosen add-on stamp, with the WOW embossing ink and stamp within the panel. Sprinkle the white embossing powder over the stamped sentiment and heat set with your heat tool. Make sure your heat tool is hot before setting the powder, to avoid warping the card or burning the powder.

To finish, adhere your sentiment to the **bottom right of artwork**, as seen here.
