STEP 1

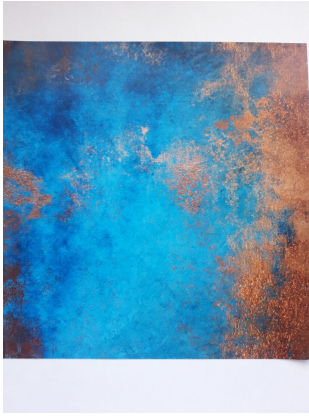

STEP 2

Use your blending tool to randomly blend the **Uncharted Mariner Oxide** through the Imala Gorgeous Snowflake stencil, directly on to the front of your white card blank.

Use a black pen to draw a decorative frame around the stencilled card blank, then set it to one side.

STEP 3

Tear this decorative paper from the Funky Fossil Patina 8 x 8" paper pad.

STEP 4

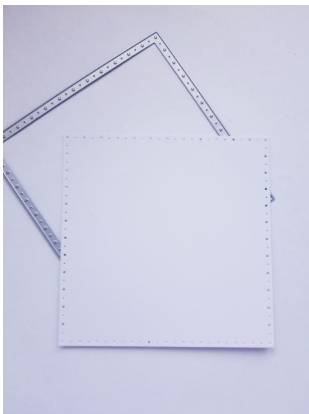

Place the Star Stitching nesting die, measuring approx 5 x 5", on to the decorative paper and run it through your die cutting machine. Put the remaining paper to one side, to use with the snowflake and sentiment dies, in a later step.

STEP 5

Adhere the die cut decorative square, at an angle, on the front of your stencilled card blank. Set to one side.

STEP 6

Place the same 5 x 5" Star Stitching die on to the white 6 x 6" card and run it through your die cutting machine.

STEP 7

Ink up this cute stamp, from the Imala Dear Santa Stamp Collection, with the Onyx Black Versafine. Stamp it just off the bottom, left edge of the die cut white, square panel. Smoosh the Uncharted Mariner and Vintage Photo Oxides, on to your craft mat. Mix with a little water and paint your stamped image.

STEP 8

Place the Gorgeous Snowflake stencil over your card and lightly blend the Uncharted Mariner randomly, around your stamped image.

STEP 9

Use your black pen to draw the same decorative frame, around your image.

STEP 10

Adhere this on straight, on to the front of your card blank.

STEP 11

Place the J and the Y dies, from the JOY die collection, on to some of the decorative paper you set aside earlier and run it through your die cutting machine.

STEP 12

Place the snowflake dies, from the photo frame die sets, on to the remaining decorative paper and run them through your machine.

STEP 13

Adhere the die cut J in place, one of the snowflakes under, in place of the O and then the Y under that.

STEP 14

Adhere the other 2 snowflakes in the bottom left corner of your design.
