### STEP 1

Apply a little of the Magenta ink on to your craft mat and spritz with the Pearlywinks Glitter Pearl Mist. Pick up the ink on to the white card, cut to 7 3/4 x 3 1/2".

### STEP 2

Ink up the Imala Stay Fancy stamp with the Magenta ink and, holding the stamp in your hand, randomly stamp on to your inky background, to create a distressed effect.

**STEP 3**

Repeat the previous step using the **Imala Jumbled Up stamp**, inked with the Indigo ink pad. Blast your background with your heat tool, before setting it to one side.

**STEP 4**

Tear up this vellum postcard in to 3 or 4 random strips, as seen here.

**STEP 5**

Adhere the strips randomly, on to your inky background, with a little glue, or vellum dots.

**STEP 6**

Ink up this lovely lady, from the **Imala Feel Beautiful Stamp Collection**, with the Onyx Black Versafine, and stamp on to the white A4 card. Cut her out and set the remaining white card to one side.

**STEP 7**

Adhere your lady, with foam pads, to the left of your inky background, then adhere this on to the textured, pink cardstock. Set to one side.

**STEP 8**

Ink up the sentiment stamp from **Imala My Rules Stamp Collection**, with the Versafine and stamp on to the white card, set aside earlier. Cut it out and draw a decorative, wiggly frame around 3 sides of the card, as shown here.

STEP 9

Adhere the sentiment with **wet glue**, so it's tucked just under your stamped lady, as seen here.

STEP 10

Adhere your artwork on to the front of your DL card **blank**, to finish.
