STEP 1

STEP 2

Use the outline die, from the **Floral Frame One collection**, to cut out TWO arched windows from the A4 white card. Set the remaining cardstock to one side for later.

Score **ONE** of the arch die cuts approx 1" **from the top**. Apply double sided tape **ABOVE** the score line, as shown here. Peel off the tape and adhere the other arch die cut on top, to create your card blank. Set to one side.

STEP 3

Tear out this decorative sheet from the Stamps By Me Box Magazine and die cut using the same arch outline die.

STEP 4

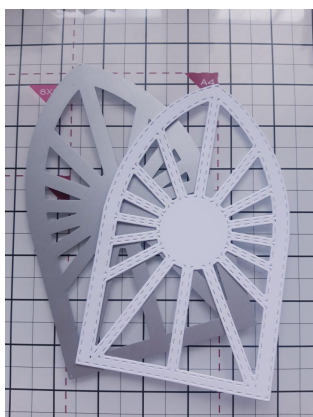

Adhere the die cut paper to the front of your card blank.

STEP 5

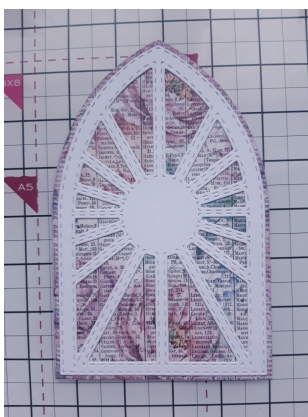

Using your blending tool, blend the Izink Pigment ink around the edges of your decorative card blank. Set to one side to dry.

STEP 6

Use the detailed arch die to cut out a window, from the white card you set aside earlier.

STEP 7

Adhere your die cut window on to your card blank and set to one side.

STEP 8

Use a circle nesting die to cut out one of the decorative circle toppers, from the box magazine.

STEP 11

Adhere your elements around your window, where required, using both wet glue and foam pads for added dimension.

STEP 12

Use a white gel pen to add accents and highlights to the decorative floral elements.

STEP 13

To finish your card, add sequins on, around and tucked just under your floral elements.
