WHAT YOU WILL NEED:

Black card 6 x 5"
White card 5 1/2 x 5"
High Definition 3D Love & Happiness Embossing Folder

Small Town Girl Lamination Stamp Collection

Distress Oxide ink pad: Salvaged Patina, Hickory Smoke, Peacock Feathers
WOW heat tool
Ranger Liquid Pearls: White Opal
Water spray bottle
Eureka 101
Paper Trimmer
Perfect Together Glue
Die Cutting machine

STEP 1

For this card we are going to ink up **BOTH** sides of the HD3D Love & Happiness embossing folder, then you get to choose whether to use the embossed or debossed side!! Rub the Peacock Feathers ink pad roughly around the heart area, then rub the Hickory Smoke ink pad randomly, on the remaining area of folder. Do this on **BOTH** sides. Spritz both sides lightly with water, place the 5 1/2 x 5" card wherever you want within the folder, then run it through your embossing machine. Open the folder and **VOILA!!** Which side will you choose...I decided to go with the debossed side but it was a tough decision! Blast your card with a heat tool, to dry off all the ink/water, on both sides.

STEP 2

Ink up the solid bird lamination stamp, from the New Adventures Lamination Collection, with the Peacock Feathers Oxide and stamp within the embossed/debossed heart. Blast it dry with your heat tool.

STEP 3

Ink up the coordinating, detailed bird stamp, with the **Onyx Black Versafine** and stamp over your solid image.

STEP 4

Ink up the sentiment stamp, from the same set, with the **Versafine** and stamp in the bottom right corner of your artwork.

STEP 5

Once dry, adhere your artwork on to the **black card**, ensuring the side edges are flush and there is black card visible top and bottom, to create a border. Adhere this on to your kraft card blank, again gluing it flush with the sides but this time, leave a small border of kraft card visible at the top and a bigger panel of kraft card at the bottom, as shown here.

STEP 6

Ink up the sentiment stamp from the **Small Town Girl Lamination Collection**, with the **Onyx Black Versafine** and stamp along the kraft card, as seen here.
