STEP 1

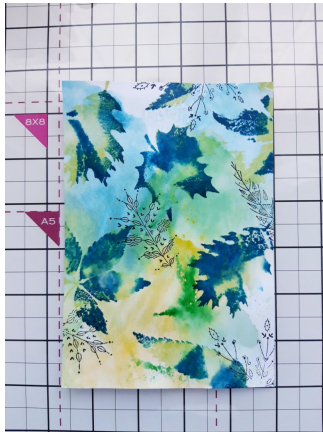

Apply the Limeade on to your glass mat.
Spritz with water and mop up the ink with the white card. Blast it with your heat tool, then repeat using Hedgerow.
Swirl the Pearlywinks Iced Teal, to activate the mica, then pick up the ink and dry with heat tool.

STEP 2

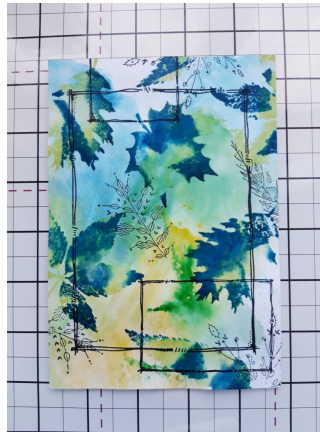

One at a time, ink up each of the solid leaf stamps, from the Early Spring collection, with a combination of the Tiffany, Ocean and Limeade inks. Spritz with water and randomly stamp on to your inky background, taking some of the images off the edges of the card.
Blast the ink dry with your heat tool.

STEP 3

One at a time, ink up the detailed stamps with the **Midnight Hybrid** ink and randomly stamp on to your background. The idea is NOT to line them up, but rather add them as an accent to your artwork.

STEP 4

Ink up one of the larger **Dash Frame** stamps with **Midnight** and stamp in the centre of the background. Ink up a smaller frame stamp and stamp bottom right so your sentiment will fit inside. Stamp a third going off the top left edge, of the background.

STEP 5

Ink up the sentiment from the **Keep Exploring Lamination Stamp Collection**, with the **Midnight** and stamp within the bottom right, stamped **Dash Frame**. Blast the ink dry with your heat tool.

STEP 6

Add water to the **White Lace Confetti** ink and use a paint brush to splatter it over your artwork, as required. Again blast dry with your heat tool.

STEP 7

Adhere to the **Teal textured card stock**.

STEP 8

To finish, adhere on to your **kraft card blank**.
