STEP 1

STEP 2

You need to create a heart aperture stencil, out of the copy paper, that will fit in the lower right corner of your card, as seen in the finished design.

You can either use a nesting heart die or, like me, you can go for a more "organic" look and draw your own heart freehand, then cut it out!! Go on...be brave.

Position your heart stencil towards the lower right corner of the white card, cut to 6 1/4 x 4 1/4" and using your blending tool, apply the Limeade ink within.

STEP 3

Ink up this very beautiful stamp, from the **Imala Adventure set**, with the **Midnight** hybrid ink and stamp on to your inked heart. I wanted the plant stem to grow up through the centre of the heart, but you can stamp yours wherever you want.

STEP 4

Ink up the sentiment stamp with **Midnight** and stamp to the left of your image, but so they are connected, rather than having a floating sentiment.

STEP 5

Adhere your artwork on to the **Blush mirri** card.

STEP 6

Wrap some twine around your card three times, then tie in a bow and trim off any excess.

STEP 7

Adhere on to your kraft card blank with foam pads.

STEP 8

To finish, add clear adhesive water drops to your artwork.
