

Daydream

02/27/2023

WHAT YOU WILL NEED:

White card blank 7 x 7"

Copy paper/masking sheet

Imala Daydream Stamp Collection

Heart aperture stencil

Circle mask or circle die cut from copy paper (for "Sun")

SBM Hybrid Ink Pad: Midnight

SBM Premium Dye Ink Pad: Sherbet, Bittersweet, Magenta

Blending tool

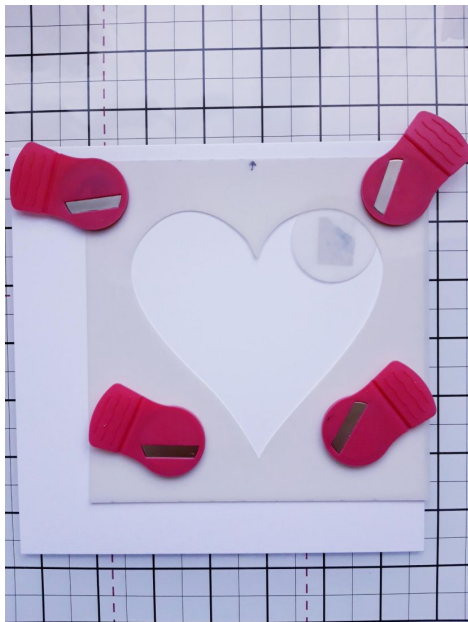

Paint brush

Gossip Sparkle Pen: Clear overlay

Eureka 101 Watercolour Tablet

SBM Magnetic glass mat

STEP 1

Secure the heart stencil, with bar magnets, directly on to your white card blank, slightly to the right, as seen here.

Secure your Sun mask in the top right corner of the heart stencil.

STEP 2

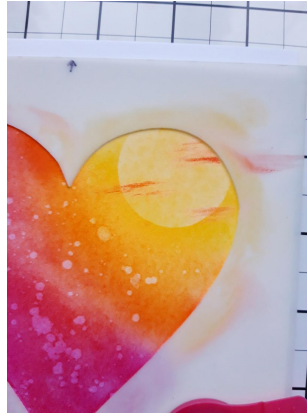

Using your blending tool, create your background using the Premium Dye inks.

STEP 3

Splatter water on to your background, wait a few seconds then mop up the excess water and ink with a paper towel.

STEP 4

Remove the circle mask and lightly blend away the whiteness with the Sherbet ink. Lightly swipe Bittersweet across the Sun, with the edge of your blending tool, to reflect wispy clouds floating past.

STEP 5

Remove your heart stencil and if necessary, give the ink a quick blast with your heat tool.

STEP 6

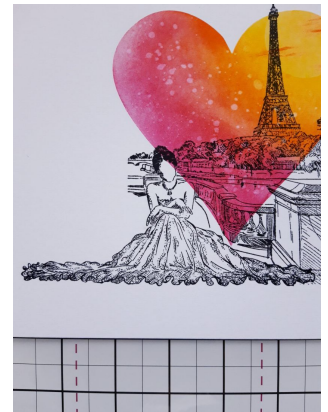

Ink our beautiful lady, from the Imala Daydream Collection, with Midnight and stamp on to your masking sheet or copy paper. Fussy cut to create your "mask". Place your mask on to your card, as seen here, taking in to account where you will be stamping your Paris landcape.

STEP 7

Ink up the landscape stamp, with Midnight and stamp in place over your mask and inky heart panel.

STEP 8

Carefully remove the mask, ink up the lady again and stamp in position.

STEP 9

Ink up the sentiment stamp with **Midnight** and stamp within your heart panel, across the Eiffel tower.

STEP 10

To finish, add a bit of **sparkle** to her gown using the Gossip clear overlay sparkle pen.
