STEP 1

STEP 2

Ink the Stained Glass Window stamp with the Midnight hybrid ink and stamp on to the white card, cut to 7 x 5".

Use your alcohol pens to colour it in, placing a sheet of copy paper underneath to protect your work surface from the ink that bleeds through the card.

Tear the card around your coloured image, as seen here.

STEP 3

Place your card inside the **Imala Modern Script embossing folder** and run it through your machine.

STEP 4

Use a blending tool to apply the **Heather** around the edges of your embossed artwork, then set aside.

STEP 5

Choose a paper from the **Imala A4 Collage paper pad** and tear to size, so it will fit on the front of your card blank. Set aside any remaining paper. Ink up the **Imala Crackle** stamp with the **Midnight** and randomly stamp on to your paper, before adhering to the front of your pink, card blank.

STEP 6

Tear a panel from the remaining paper you set aside, or from a coordinating sheet. Randomly stamp the **crackle**, in **Midnight**, on to the torn panel before adhering to the right of your card.

STEP 7

Adhere your coloured, torn **topper** to the centre of your card with wet glue, or foam pads for added dimension.

STEP 8

Ink up the **sentiment** with **Midnight**, stamp on to the white card and trim to size. Using a blending tool, apply the **Heather** around the edges, fading out the intensity as you move inwards.

STEP 9

Adhere your sentiment, with foam pads, to the bottom left of your artwork.

STEP 10

Use the Stickles to add a touch of sparkle to the petals.
