Die Cutting machine

STEP 1

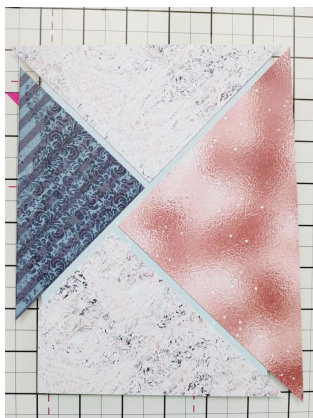

Remove the pale blue stars paper, from the collection and trim to 7 3/4 x 5 1/4".

STEP 2

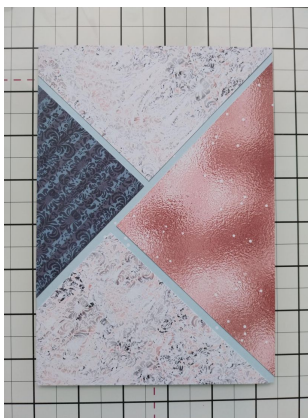

Choose three or four papers from the paper packs.

STEP 3

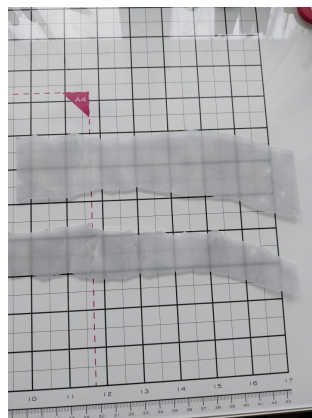

Cut and adhere **FOUR** pieces on to the stars paper, as shown here. It's up to you how you position them though!

STEP 4

Once adhered, you can trim off the overhangs on all four sides of the blue paper.

STEP 5

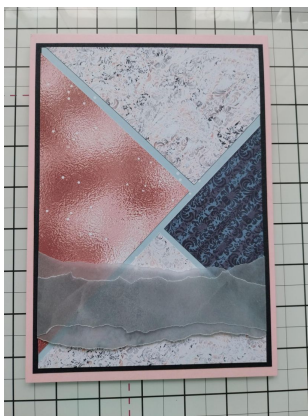

Tear **TWO** strips of vellum, from the collection, one narrower than the other and long enough to place across your paper background, with a slight overhang on each side.

STEP 6

Wrap the widest vellum panel across the bottom third of the background. Tuck the 2 edges over the sides of the paper and adhere on the reverse with tape. Place the narrower panel across the first, again securing the overhangs on the reverse.

STEP 7

Adhere this to the black cardstock and then on to your pink, top folding card blank. Set to one side.

STEP 8

Fussy cut these shoes from the paper collection.

STEP 9

Adhere to the left of your card, so they're sitting on the vellum panels.

STEP 10

Stamp and die cut a variety of florals and foliage from **Let's Celebrate**, with the Midnight Hybrid ink, on to a piece of white card. Use your Gossip alcohol pens to colour them in, popping a sheet of copy paper underneath to protect your work top from the ink.

STEP 11

Use a combination of wet glue and foam pads to adhere your die cut elements around your shoes.

STEP 12

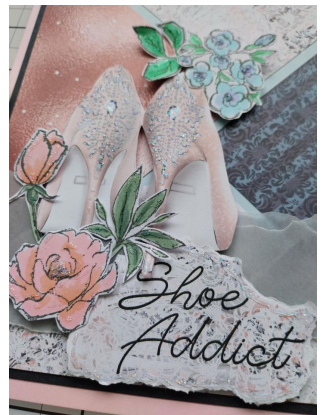

Stamp the sentiment with **Midnight**, on to one of the leftover pieces of papers, then tear around the sentiment.

STEP 13

Adhere to the bottom right of your 3D elements.

STEP 14

To finish, use the Stickles to add sparkle to the gems on the shoes and on your floral and foliage elements.
