

## Hello Sunshine

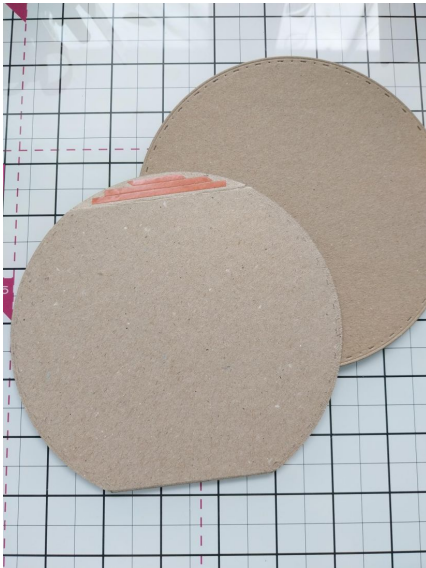

06/21/2023

### WHAT YOU WILL NEED:

Kraft card (construction weight- 250gsm+)  
White card  
Floral Romance 8 x 8" paper pack  
Poppy Haze A5 Stamp and Die Collection  
Deboss Circle Nesting Die Collection  
Archival Ink Pad: Shadow Grey  
Distress Oxide: Iced Spruce  
Blending Tool  
Stickles: Star Dust  
Liquid Pearl Drops: White Opal  
Scoreboard/score tool  
Eureka 101 Watercolour Tablet  
SBM Magnetic glass mat  
Perfect Together Glue  
Red liner tape  
Foam pads  
Die Cutting machine

STEP 1

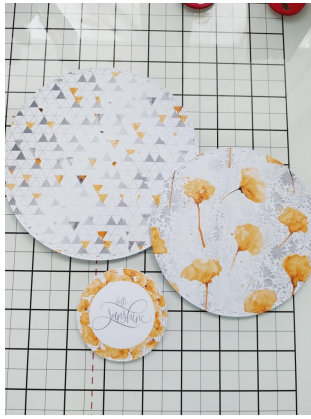

**Die cut TWO 6" circles from the kraft card.**  
Score ONE across, about 1cm down from edge and put red liner tape ABOVE the score line. Trim off a sliver from the bottom of this one, to allow your card blank to stand up!

STEP 2

**Remove the backing from the tape** and adhere the 2 circles to create your card blank.

STEP 3

**Remove these decorative sheets** from the Floral Romance paper pack. Use your circle nesting dies to die cut the "abstract triangle paper to 5 1/2" diameter, the Poppy paper to 4 1/2" and to cut out the Hello Sunshine circle sentiment.

STEP 4

**Use your blending tool to ink around the edges** with the Iced Spruce Oxide.

STEP 5

**Adhere the abstract paper on to your kraft card blank,** then the Poppy paper flush with the top left edge, as seen here.

STEP 6

**Adhere the sentiment topper, with foam pads,** to the bottom right of the Poppy paper. Set your card to one side.

STEP 7

**Stamp these floral and foliage images on to white card,** using the Archival Shadow Grey ink pad. Die cut with the coordinating dies.

STEP 8

**Use foam pads to adhere your 3D elements** around the right curve of the papers.

STEP 9

Use the Stickles to add a touch of sparkle to your Poppy.

STEP 10

Finish by adding pearl drops around your 3D elements, where required.
