STEP 1

Trim this decorative paper, from the **Floral Romance** paper pack, to 6 3/4 x 4 3/4". Use your scissors to distress the edges.

STEP 2

Trim this paper from the **Bloom & Wild** pack, to 6 3/4 and then tear as wide as you want it. Use your scissors to distress all edges.

STEP 3

Adhere the Poppy paper down the right side of the background paper, lifting and pinching the torn edge, to add to that distressed look.

STEP 4

Adhere to the front of your card blank, then pop aside.

STEP 5

Tear 2 strips from this paper, which is in the Bloom & Wild paper pack.

STEP 6

Stamp these floral and foliage images, from Poppy Haze, with the Archival on to a piece of white card. Use the coordinating dies to cut them out. Smoosh your Redwood, Iced Spruce and Black Soot inks on to your glass mat. Add a little water and paint your die cut elements.

STEP 7

Using your 3D die cut elements as a positional guide, adhere the torn papers to the left of the Poppy paper, so they will sit beneath your florals.

STEP 8

Adhere your die cut elements on top of the torn paper, using a combination of wet glue and foam pads.

STEP 9

Stamp the "Better Together" sentiment in **Midnight**, from the collection of the same name, to the left of your floral display.

STEP 10

Finish by adding sequins on, around and peeking out from your 3D floral display.
