STEP 1

We need this beautiful double-sided 12 x 12" paper, from the Mulberry & Gold Paper Collection.

STEP 2

Trim a piece from the paper 6 1/2 x 4 1/2", which incorporates both the black and mulberry pattern (see top left). Pop the remaining paper off-cuts to one side.

STEP 3

Place the trimmed panel inside your Honeycomb Swirl embossing folder and run it through your machine.

STEP 4

Swipe your Black Soot ink pad lightly over the raised, embossed areas. It's easier to start off lightly, then you can gradually build up the intensity of colour, as required.

STEP 5

Dry off the black ink before lightly swiping the Metal Gold Ink over random, embossed areas.

STEP 6

Add water to the Goldmine Confetti ink, then splatter over your artwork. Pop to one side to dry or blast with a heat tool, if you're impatient like me!! Note that the pigment/embossing Metal Gold ink is slow drying!!

STEP 7

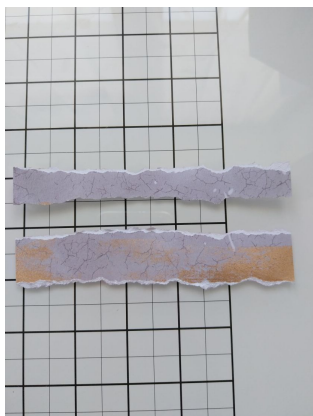

From the same 12 x 12" patterned paper, trim a panel 7 1/4 x 5 1/4, but this time we will be using the other side of the paper.

STEP 8

Mat your dried, embossed artwork on to the trimmed, decorative mat, before popping it to one side.

STEP 9

From your left-over pieces of paper, tear **TWO** panels, 1 wider than the other, both 5 1/4" in length.

STEP 10

Adhere the torn panels across your artwork, the narrower panel being on top, as seen here.

STEP 11

Adhere your artwork on to the **black card**, trimmed to 7 1/2 x 5 1/2" and then on to your pink card blank. Pop to one side.

STEP 12

Die cut the detailed sentiment, out of the **Creative Words Collection**, from a piece of black card and the mat layer from the left over Mulberry paper.

STEP 13

Adhere the detailed die cut on top of the paper die cut mat.

STEP 14

Adhere your die cut sentiment on top of the **vellum panels**, to the left of your artwork, to finish.
