STEP 1

STEP 2

Apply Gossip pens 34, 35 and 52 directly to the solid floral stamp, from My Sunshine Lamination Stamp Collection.
Spritz with water and stamp off the left hand side of the white cardstock (in Landscape view).
You can reink up the stamp as many times as you wish, until you're happy with the result.

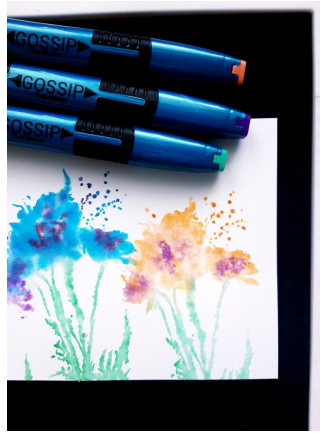

Apply Gossip pens 34, 84 and 86 directly to the same floral stamp.
Spritz with water and stamp next to the other stamped flower, coming up from the bottom of the card.
Reink and stamp until happy.

STEP 3

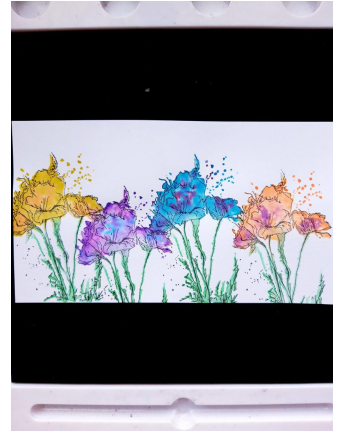

Apply Gossip pens 34, 78 and 86 directly to the same stamp.
Spritz with water and stamp next to the other stamped images.
Reink and stamp as required.

STEP 4

Apply Gossip pens 34, 35 and 84 directly to the same stamp.
Spritz with water and stamp to the right of the other floral images.
Reink and stamp until you are happy with the effect.
Dry off the artwork, before proceeding with the next step.

STEP 5

Ink up the coordinating detailed floral stamp with Onyx Black Versafine.
Line up and stamp over the first floral image. This lamination design is very loose, so there is no right or wrong place to stamp the detailed part of the image.
Reink it again, and stamp over each of the floral images.

STEP 6

Ink up the sentiment stamp, from the same stamp set, in the Onyx Black Versafine.
Stamp where required, through your artwork.

STEP 7

Adhere your artwork on to the green cardstock, ensuring the 2 side edges are flush, and the green card is visible top and bottom.

STEP 8

Adhere this on top of your landscape card blank, ensuring the 2 side edges are flush, and the white card blank is visible top and bottom.

STEP 9

To finish your card, add sequins where required.
