STEP 1

Rub around both sides of the Kaleidoscope folder with the Heather ink pad, keeping the centre free from ink. Spritz lightly with water, place a piece of white card 6 1/2 x 4 1/2" inside and run it through your machine. Set aside to dry.

STEP 2

Repeat the previous step with another piece of white card, this time rubbing the Limeade ink pad all over the debossed side.

STEP 3

Fussy cut a few Butterflies from the embossed Limeade card, as seen here.

STEP 4

Once dry, mat the embossed background on to black card, trimmed to 6 3/4 x 4 3/4".

STEP 5

From the Thirsty Brush vellum pack, tear around this sheet and adhere to the front of your pink card blank.

STEP 6

Adhere your embossed background on to your card and set aside.

STEP 7

Stamp this eye-catching image in Midnight, on to a piece of white card. Fussy cut and use your Gossip alcohol pens to colour in. Pop a sheet of copy paper underneath, to protect your work surface from the alcohol ink that bleeds through the card.

STEP 8

Use foam pads to adhere your 3D element to your card.

Shape the fussy cut **Butterfly wings**, before adhering them on and around your 3D element. Pop your card to one side.

STEP 10

Stamp these sentiments in **Midnight**, on to white card. Cut around them and use a black pen to add stitched detail.

STEP 11

Adhere to your card with foam pads.

STEP 12

To complete your project, use a black pen to add accents and detail, as required, to your coloured artwork.
