STEP 1

Use a nesting die to cut a 5" diameter circle from white card,
Swipe the Hedgerow and Limeade ink on to your glass mat, spritz with water and pick up the ink on to the card. Blast dry with your heat tool.

STEP 2

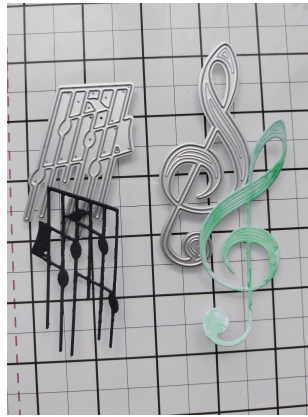

Stamp the treble clef, in Midnight, to the left of your inked background.

STEP 3

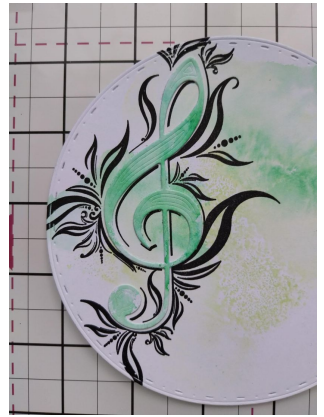

Using the treble clef die as a size guide, cut a piece of white card slightly bigger and create a smoothed effect, as before, with the Hedgerow ink. Blast dry with your heat tool.

STEP 4

Die cut the treble clef from the inked card and at the same time, die cut the music note from a piece of black card.

STEP 5

Line up and adhere the treble clef die cut inside your stamped image.

STEP 6

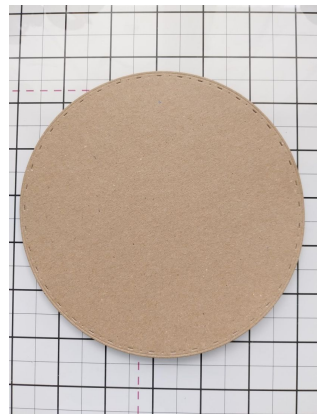

Adhere the die cut note as required, to create a background for your Santa to be added to.

STEP 7

Die cut a 5 1/2" diameter circle, from red card and mat your artwork on top.

STEP 8

Die cut TWO 6" circles from kraft card.

Score across one of the pieces of card, about 2cm down and add red liner tape above the score line. Adhere the second kraft card circle on top and trim a sliver off the back page, allowing your card blank to stand upright.

STEP 9

Adhere your artwork to the front of your card blank and pop to one side.

STEP 10

Each of the stencils in the **Quattro D Rockin Around collection** are numbered and have hearts in the corner to help you line each one up, if required.

Use your blending tool to apply ink through each stencil, on to white card trimmed to 7 x 5", as follows:

- Stencil 1 Redwood
- Stencil 2 Walnut Stain for the belt and Tattered Rose for his skin
- Stencil 3 Black Soot for the belt buckle and Hedgerow for the Mic
- Stencil 4 Lost Shadow for his beard and cuffs and Tiffany for the Mic

STEP 11

Stamp over your stencilled image with the Midnight hybrid ink.
