Perfect Together Glue
Foam pads

STEP 1

Trim a piece of white card to 6 3/4 x 4 3/4" and place in landscape view.
Ink up the solid stamp, in the Little Ballerina set, with the Heather and Tiffany inks. Spritz the stamp with water and stamp to the right of your card, using the detailed stamp as a positional reference. Give it a quick blast with your heat tool.

STEP 2

Stamp the detailed stamp over your inked image, using the Midnight hybrid ink. If you are unsure how to line up the detailed stamp, refer to the packaging for a visual reference.

STEP 3

Reink and stamp the **Little Ballerina** on to your masking sheet, or copy paper and fussy cut, to create a "mask".

STEP 4

Place your "mask" over your stamped image.

STEP 5

Apply the **Lost Shadow Distress Oxide** around the outer edges of your acrylic block. Use your stamped image as a reference point, as you want the ink to blend around but not on, your Ballerina. Spritz the block lightly with water.

STEP 6

Press the inked acrylic block over your stamped image, wait a few seconds for the card to soak up the ink, then lift away.

STEP 7

Randomly blend the **Heather** through your star stencil, from the **Star Of Hearts** set, on to your inked background, where required. Set to one side.

STEP 8

Stamp the sentiment in **Midnight**, on to a piece of white card. Cut on an angle, as seen here. Adhere to black card and trim to create a "mat".

STEP 9

Adhere flush with the bottom left edge of your card.

STEP 10

Use a black pen to draw a decorative frame around the inked panel.

STEP 11

Adhere to the front of your landscape kraft card blank, to finish.
