STEP 1

STEP 2

Trim a piece of white card to 6 3/4 x 4 3/4". Ink up the solid stamp, from the Merry & Bright Lamination set, with the Redwood ink pad. Spritz the stamp with water and stamp on to the white card. Repeat this multiple times, to create a background. Blast dry with your heat tool.

Stamp over each image with the detailed stamp, using the Midnight hybrid ink.

STEP 3

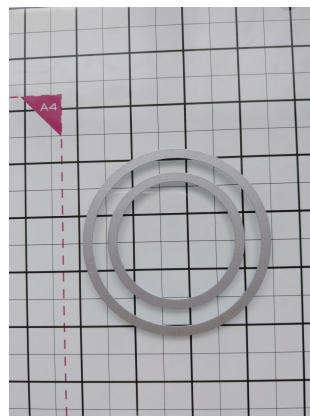

Smooch a little Black Soot Oxide on to your glass mat, spritz with water and splatter over your background with a paint brush. Blast dry with your heat tool.

STEP 4

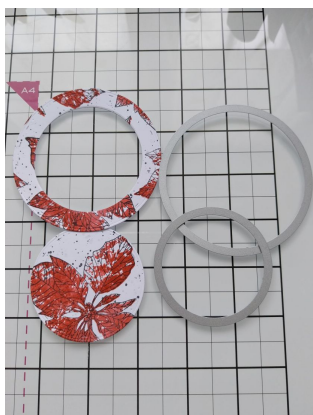

Swirl the Pearlywinks Pearl Mist, to activate the mica. Spray on to your glass mat then use your paint brush to splatter over your artwork. Dry with your heat tool.

STEP 5

You will need TWO circle nesting dies, one 3 1/4" in diameter and the other 2 1/2" in diameter, thus omitting the die in between.

STEP 6

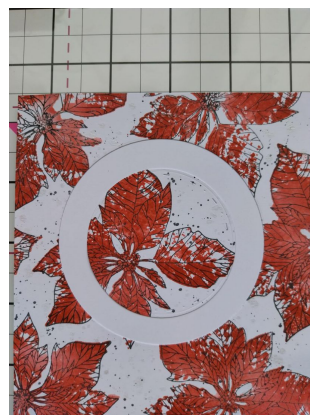

Use the biggest die to cut a circle from your stamped background, then place the smaller die in the center of the die cut circle and run that through your machine.

STEP 7

Trim a piece of card slightly smaller than your background and adhere your background on top, as seen here.

STEP 8

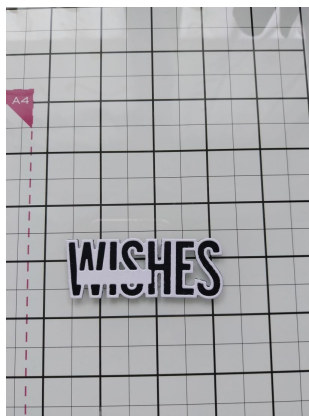

Adhere the die cut stamped circle, in the middle of the circle aperture, lining it up with the stamped background images. You will not need the die cut stamped circle frame but don't bin it! Save for another project!

STEP 9

Adhere your artwork on to your black card blank and pop to one side.

STEP 10

From the Special Wishes set, die cut the "Wishes" solid die from black card and the coordinating detailed die from white card. Adhere together as shown here.

STEP 11

Ink up the add-on "Sending" stamp in the Midnight ink and stamp on to the white, die cut panel.

STEP 12

Adhere across the top right of the circle aperture, to complete your card.
