Die Cutting machine

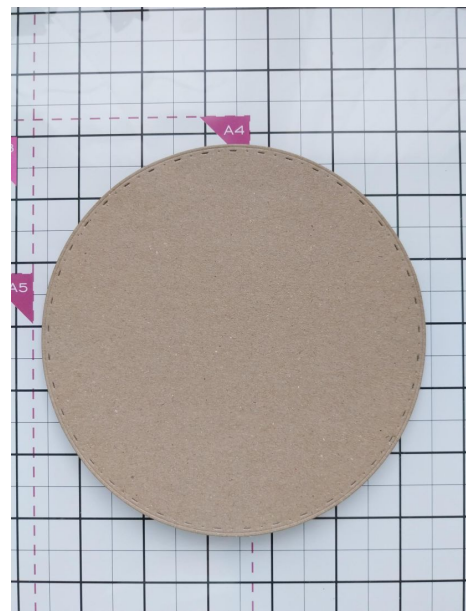

STEP 1

Die cut TWO 6" circles from kraft card.

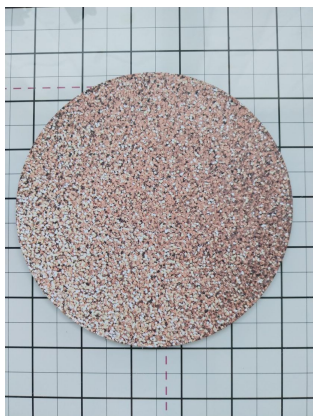

Score about 2cm down, on one of the circles and apply red liner tape above the score line. Trim a sliver off the bottom of the same circle, enabling your card blank to stand upright.

STEP 2

Peel off the tape backing and adhere your die cut circles together, to create your card blank. Pop to one side.

STEP 3

Choose a textured paper from the Bronze All Surfaces paper pack and die cut a 5 1/2" circle.

STEP 4

Die cut a 5" circle from one of the beautiful mounts, from In The Countryside.

STEP 5

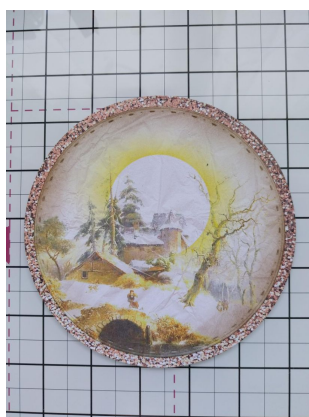

Place your circle mask over the horizon of your village scene and blend the Sherbet ink, moving away from the mask as you fade out the colour.

STEP 6

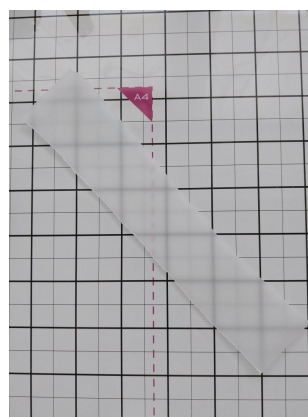

Blend the Walnut Stain Distress ink around the edge of your topper.

STEP 7

Adhere your topper to your die cut textured paper.

STEP 8

Tear a strip of vellum slightly wider than your layered topper.

STEP 9

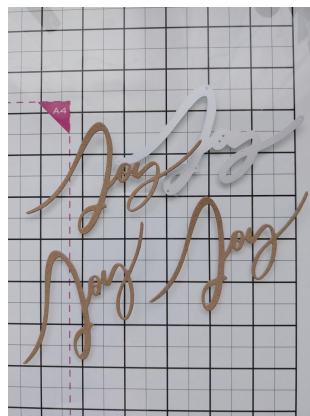

Adhere at an angle, across the top third of your topper. Tuck the vellum edges over and secure on the back, with your tape runner or double-sided adhesive tape.

STEP 10

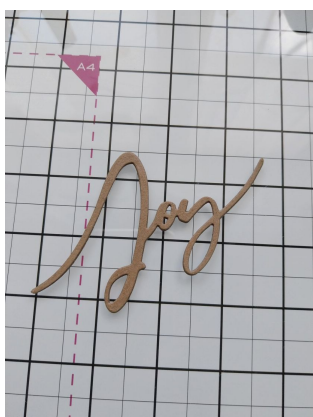

Adhere to the front of your kraft card blank.

STEP 11

Die cut 3 "Joy" elements from kraft card.

STEP 12

Adhere together to create a substantial 3D word.

STEP 13

Adhere "Joy" along your torn vellum panel.

STEP 14

Use your Stickles to add a touch of winter, festive sparkle, to your artwork.
