Die Cutting machine

STEP 1

Trim this beautiful paper, from the Happy Haunting pack, to 7 x 4 3/4".

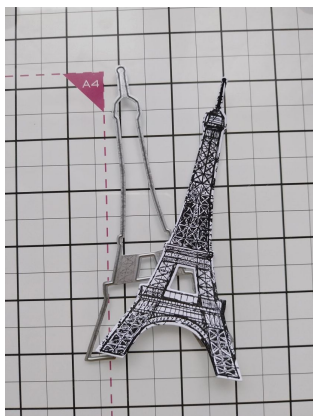

Ink up the Romance collage stamp with the Midnight hybrid ink and stamp just off the bottom, left edge of the decorative paper.

STEP 2

Re-ink and stamp again, on to a piece of white card.

STEP 3

Die cut the tower, using the coordinating die.

STEP 4

Using your die cut element as a positional guide, secure your circle "mask" in place so it will sit behind the top of the tower, as shown here.

STEP 5

Use your blending brush to apply the Cotton ink, so it's coming out and fading away, from the "mask".

STEP 6

Use a paint brush to splatter the Pearlywinks Pearl Mist over your artwork.
NB: The Cotton pigment ink is slow drying and **WILL** smudge, so give it a blast with your heat tool to speed up the drying time!

STEP 7

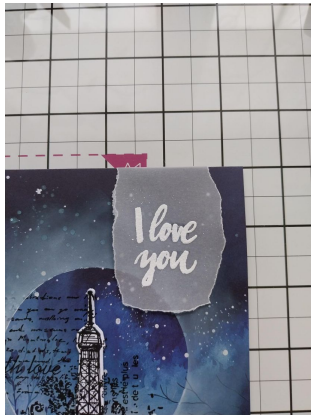

Use foam pads to adhere your die cut tower in place, trimming off any overhang you may have.

STEP 8

Tear a piece of vellum, big enough for the sentiment to fit on to and leaving excess vellum above.
Wipe over the vellum with your anti-static bag before stamping the sentiment with the sticky embossing ink.
Apply the white embossing powder over the sticky ink and heat set. Make sure your heat tool is hot **BEFORE** you take it to the powder, as this will help minimise any warping.

STEP 9

Lay the embossed vellum on the top right of your artwork, fold the excess vellum over the top of the card and adhere on the reverse with double-sided adhesive tape.

STEP 10

Mat your artwork on to **black card**, trimmed to 7 1/4 x 5" and then affix to your pink card blank.

STEP 11

To finish, use the Stickles to add a touch of sparkle to your artwork, in particular around the edge of your Moon.
