WHAT YOU WILL NEED:

Kraft card blank 6 1/2 x 5 1/2 (created from an A4 sheet of kraft card)
Black/white cardstock
Autumn Frame Embossing Folder
A Winter Story Vellum Pack
SBM Hybrid Ink Pad: Midnight
SBM Dye Ink Pad: Heather, Tiffany
Blending brush
Water spray bottle
Sequins: Periwinkle
Pick up gem and pokey tool
Black pen
Eureka 101 Watercolour Tablet
SBM A3 Magnetic glass mat
Paper Trimmer
Glue
Double-sided adhesive tape
Die Cutting machine

STEP 1

Trim a piece of white card to roughly 6 x 5". Randomly ink both sides of the folder with the Heather ink pad and lightly spritz with water. Place the card inside and run it through your machine.

STEP 2

Having inked both sides, you have the option to choose which side you prefer...for this project I chose to use the embossed image.

STEP 3

Trim your embossed artwork down to 5 1/2 x 4 1/2".

Use your blending brush to apply Heather around the edges, randomly swiping the ink pad in from the edge of the card, thus creating texture to your artwork.

STEP 4

Use your blending brush to apply Tiffany over the embossed leafy aspects, of the Autumn frame. Set to one side to dry.

STEP 5

Tear a panel of vellum from A Winter Story roughly 6" in length and as wide as required, ensuring you leave the centre of the frame uncovered, as you will be stamping a sentiment here. I chose to include the printed Fir Trees within my torn panel.

STEP 6

Lay your torn panel down the right side of your embossed card. Tuck the ends over the top and bottom and secure on the reverse of the card with double-sided tape.

STEP 7

Stamp your chosen sentiment in the centre of the Autumn frame.

STEP 8

Mat your embossed artwork on to black cardstock trimmed to 5 3/4 x 4 3/4" and then on to your kraft card blank.

STEP 9

Use a black pen to draw your own decorative frame around the black card "mat".

STEP 10

Randomly add a few sequins to your artwork, to complete your card.
