STEP 1

Stamp the "make up" elements in Midnight, directly on to the white card blank, ensuring you take some of the images off the edges of the card.

STEP 2

Use your neon paints to colour in your images.

STEP 3

On a separate piece of white card, stamp our lovely lady with the Midnight ink.

STEP 4

Again, paint her with the fabulous neon paints.

STEP 5

Fussy cut and adhere to the bottom right corner of your stamped card blank, trimming off any overhang.

STEP 6

Go around the outer edges of your adhered element, making it "pop" from the page.

STEP 7

Stamp your sentiment on a separate piece of white card and trim to shape. Adhere on to black cardstock and trim this to create a "mat".

STEP 8

Adhere to the top right of your card, to complete your project.
