

Boho Chic

04/30/2024

WHAT YOU WILL NEED:

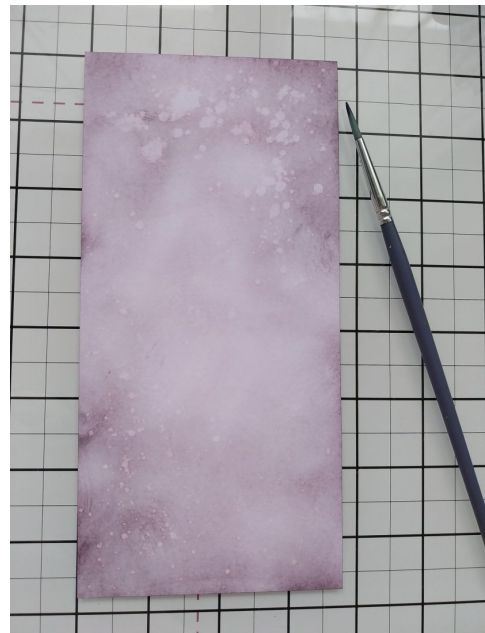

- White DL card blank 4 x 8"
- White cardstock
- IMALA Boho Chic A5 Stamp
- IMALA Stencils Essential Frames
- SBM Dye Ink Pad: Heather
- Blending brush
- Paint brush
- IMALA white gel pen
- Ranger Liquid Pearl Drops: White Opal
- Eureka 101 Watercolour Tablet
- SBM A3 Magnetic glass mat
- Paper Trimmer
- Glue
- Foam pads

STEP 1

Cut a piece of white card to 7 3/4 x 3 3/4".
Use your blending brush to apply Heather over the card, keeping it darker around the edges and fading out towards the centre.

STEP 2

Splatter with water drops and mop up the excess ink with a paper towel.

STEP 3

Stamp the beautiful dreamcatcher from Boho chic, with the Heather, coming on to the top left of the card.

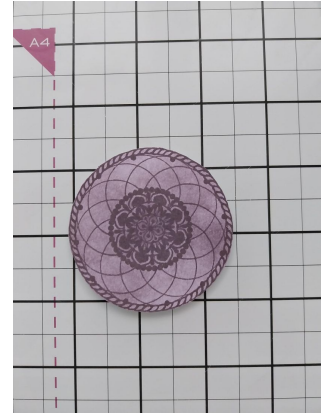

Use a paint brush to apply water to areas of the design. Wait a few seconds for the water to activate the ink, then "lift" out the ink with a paper towel, repeating this until you are happy with the effect. This is referred to as "faux bleaching".

STEP 4

On a separate piece of white card, apply Heather but intensify the depth of colour. Stamp just the centre circle design of the dreamcatcher, in Heather.

STEP 5

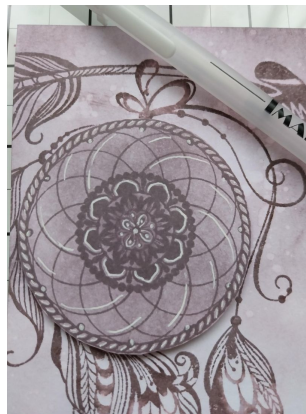

Fussy cut the centre circle, as seen here.

STEP 6

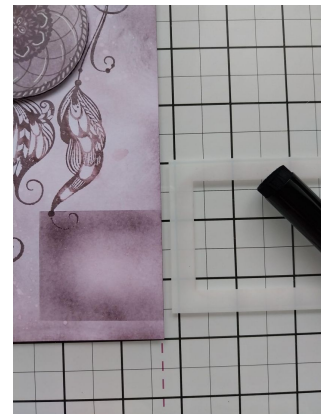

Adhere the inked circle to the centre of your stamped artwork, with foam pads for added dimension.

STEP 7

Use your white gel pen to add accents and highlights to your stamped artwork.

STEP 8

Using your sentiment stamp as a size guide, apply Heather within one of the IMALA stencil frames to create a darker inked panel.

STEP 9

Stamp the sentiment in **Heather**, within the inked panel.

STEP 10

Mat your artwork on to your **white DL** card blank.

STEP 11

Finally, apply liquid pearl drops on to your artwork, where required.
