STEP 1

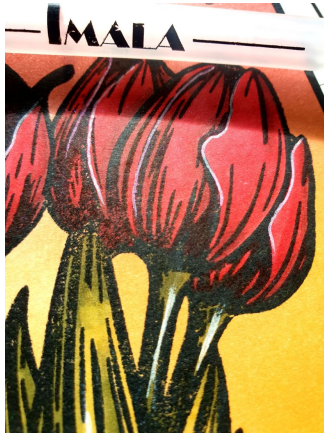

Blend onto the white card, starting with your Redwood ink, then Cantaloupe and finish with Dandelion .

STEP 2

Stamp the Tulips with the Memento black, onto the blended card

STEP 3

Colour with your alcohol markers, popping a sheet of copy paper or scrap card underneath, as alcohol ink will bleed through and can damage your works surface. Highlight the edges of the Tulip petals with the white gel pen.

STEP 4

Stamp your chosen sentiment using the Memento black ink.

STEP 5

Using the white gel pen, go back in and add more highlights on the foliage and stems, to make the image pop from the page.

STEP 6

Glue the layers together and glue onto the card blank to finish
