Die Cutting machine

STEP 1

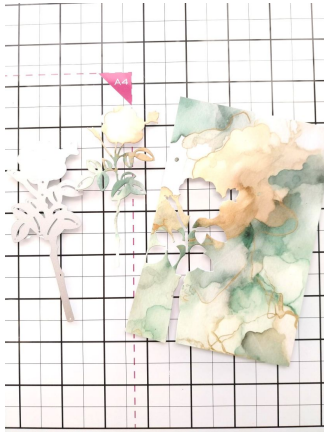

Using a 3 1/2" circle nesting die, cut a half-circle aperture on the left side of each piece of white card (5 3/4 x 3 3/4").

STEP 2

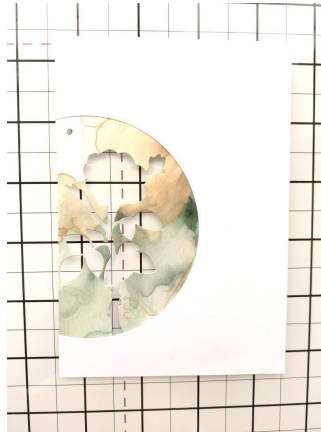

From the Peaceful Moment paper pad, trim a sheet of decorative paper to the same size as your card.

STEP 3

Choose one of the floral dies and using the die cut aperture card as a positional guide, die cut the flower so it will appear within the semi-circle aperture. KEEP the die cut element as this will be used on your second card.

STEP 4

Adhere the die cut paper behind your die cut card, as shown here.

STEP 5

Adhere your artwork on to the first of your 6 x 4" card blanks.

STEP 6

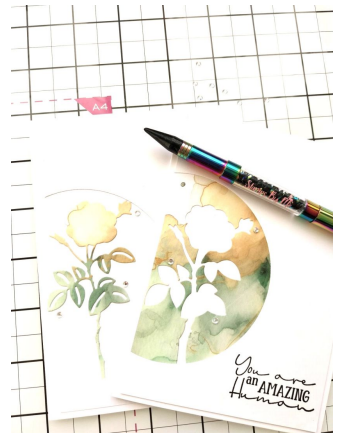

Now create your second card by adhering the second die cut aperture cardstock on to your second card blank. Then adhere the floral die cut element you set aside earlier, in the centre of the aperture.

STEP 7

Stamp the sentiment in **Midnight**, in the bottom right corner of both card blanks.

STEP 8

Add a few sequins where required, to both cards.

STEP 9

Voila!!! You have created TWO cards with just one die cut flower and a sheet of decorative paper!!
