

Winter Wishes

08/27/2024

WHAT YOU WILL NEED:

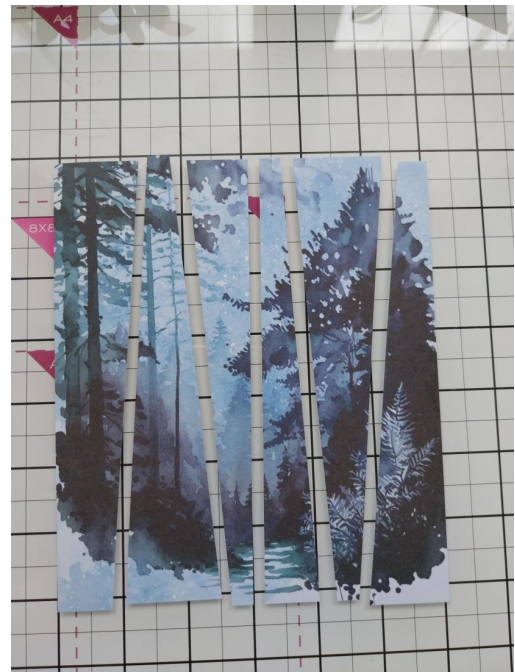

Kraft card blank 6 x 8"
Black/white cardstock
Snowflake Kisses A6 Creative Words
Woodland Wildlife 5 x 7" Paper Collection
SBM Hybrid Ink Pad: Midnight
Stickles: Star Dust
Eureka 101 Watercolour Tablet
SBM A3 Magnetic glass mat
Paper Trimmer
Glue
Foam pads
Die Cutting machine

STEP 1

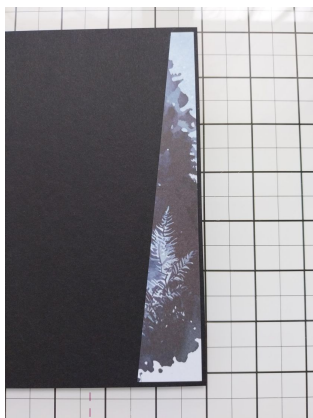

Remove your chosen paper from the Woodland Wildlife paper pack.

STEP 2

Trim the paper to create random slanted vertical panels as shown here, keeping them in order.

STEP 3

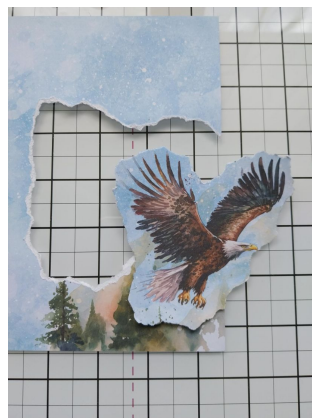

Trim a piece of black cardstock to 5 1/4 x 7 1/4". Trim a sliver off the right edge of the far right panel and adhere to the right of the black card, as shown here,

STEP 4

Adhere the remaining panels in place, keeping the top and bottom in a straight line and an equal gap in between in each panel. You may need to trim a sliver off the left edge of the last panel, to make it fit on to your black card. Pop to one side.

STEP 5

Tear around this Eagle from the decorative paper. Set aside the leftover paper for the die cut fir trees.

STEP 6

Ink around the edges with your Midnight ink pad.

STEP 7

Adhere your "soaring" eagle to your decorative paper before adhering it to the front of your kraft card blank.

STEP 8

Die cut TWO fir trees from the decorative paper you set aside earlier. Die cut the "Winter Wishes" from white card.

STEP 9

STEP 10

STEP 11

Mat the die cut words on to **black card** and trim to size. Ink around the edges of the die cut trees with your Midnight ink pad.

Adhere the trees and sentiments to the **bottom right of your card**, using wet glue and foam pads, to create perspective and dimension.

Finally, use the Stickles to add a touch of winter sparkle to your artwork.
