

Winter Wonder

10/29/2024

WHAT YOU WILL NEED:

- White card blank 6 x 8"
- Kraft cardstock
- Snowy Trails Paper Pad
- Distress Ink/Oxide Ink Pad: Fossilized Amber, Lost Shadow
- Blending tool
- Stickles
- SBM A3 Magnetic glass mat
- Paper Trimmer
- Glue
- Foam pads

STEP 1

STEP 2

Choose **THREE** sheets of the same design from the Snowy Trails paper pack. Tear **ONE** of them, incorporating the focal cabin within the torn panel.

Scrunch and lift the torn edges before lining up the design and adhering it on top of the second sheet, as seen here.

STEP 3

Tear the THIRD sheet to create an even-narrower panel but still incorporating the cabin within this panel.

STEP 4

Again, scrunch and lift the torn edges before lining up the design and adhering the panel on top of the other two.

STEP 5

Blend the Fossilized Amber around the top section of the papers, depicting the glow of the Sun. Then blend the Lost Shadow around the bottom to add a hint of shadow and perspective to the snowy ground.

STEP 6

Mat on to kraft card trimmed to 5 1/4 x 7 1/4" and then onto your white card blank.

STEP 7

Cut out one of the printed tabs and mat onto a piece of kraft card slightly bigger. Adhere to the bottom left with foam pads.

STEP 8

To finish, use your Stickles to add a touch of festive sparkle to your card.

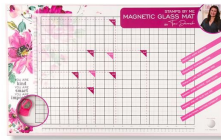

PRODUCTS USED

Inspiration with out frustration - we have carefully curated all of the products used in this project to assist you in your creative journey. Click on the product images to find their availability from Stamps By Me.
