STEP 1

Choose **TWO** sheets the **SAME**, from the Enchanted Forest paper pack.

STEP 2

Die cut a bow from the top right corner of **ONE** of the sheets, using the detailed die in the Enchanted Bows die set (this is where your bow will sit on your finished card so think about the position you want it to be).

STEP 3

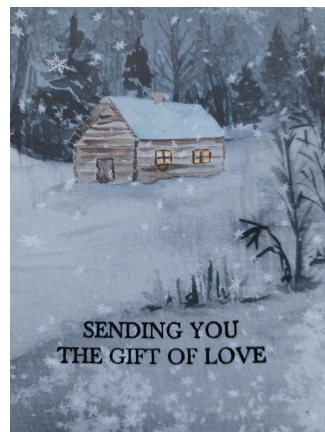

Use the die to cut the centre element of the bow, from silver mirror card and adhere in place.

STEP 4

Adhere the bow in place with a little glue (just in the centre), ensuring you line up the printed pattern on the bow with the same printed pattern on the second decorative sheet.

STEP 5

Stamp your chosen sentiment in the Midnight ink, from the Enchanting Tags collection.

STEP 6

Mat onto silver mirror card trimmed to 5 1/4 x 7 1/4" and then onto your card blank.

STEP 7

Use your Stickles to add a touch of festive sparkle to your card.
