WHAT YOU WILL NEED:

Black card blank 5 x 7"
Black/white cardstock
Papercraft Society Box September
Watercolour paints

Gem pick up and pokey tool
SBM Hybrid Ink Pad: Midnight
Eureka 101 Watercolour Tablet
SBM A3 Magnetic glass mat
Paper Trimmer
Glue, foam pads, tape runner/double-sided tape
Die Cutting machine

STEP 1

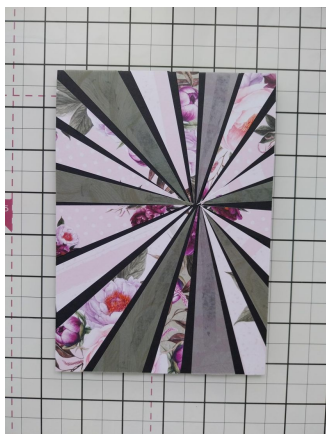

STEP 2

Decide where on your black card blank you want the centre of the sunburst to be, then cut a selection of papers and vellum into rectangles, the longest of which will fit from the sunburst centre and go OVER the edges of the card blank. Cut each of the rectangles into triangles.

Adhere each triangle next to each other so the tip of each triangle meets where you've chosen the centre of the sunburst to be.

STEP 3

Once all papers and vellums are secure, you can trim off all the excess paper overhanging the edges of your card blank.

STEP 4

Stamp your bird on a branch in **Midnight** and use the coordinating die to cut it out.

STEP 5

Paint your stamped element with your **watercolour paints** before adhering with foam pads, at the centre of your sunburst.

STEP 6

Stamp a sentiment in **Midnight**, onto white card and cut to size. Mat onto black card and trim to size.

STEP 7

Adhere onto your card with **foam pads**, where preferred.

STEP 8

To finish, add a few **sequins** where required.
