Berrylicious Album

07/23/2025

WHAT YOU WILL NEED:

Berrylicious Bundle

Distress Ink/Oxide: Frayed Burlap

Twine

Hole punch

Washi tape

Paper clips

Metal charms

STEP 1

STEP 2

Choose a selection of the 2 sided papers that you want to use for your album.

You need to make your pages double-sided when folded, so glue 2 pages together back-to-back. Score down centre and fold.

STEP 3

Blend ink around the edges of all the pages, on both sides, to give a distressed look.

Place all folded pages inside each other to create your album. Tie a length of twine around the middle, to hold them all in place and secure with a bow on the front of your album. I also threaded a metal charm on the twine before tying a bow but this is optional.

STEP 4

Cut out a selection of the tags, flowers and toppers from your collection.

STEP 5

Adhere your elements on the pages as required.

STEP 6

You can tuck the toppers and recipe cards under the twine, as another option.

STEP 7

You can also use washi tape to secure toppers and recipes in place, allowing them to be lifted up. just have fun decorating!!!!
