STEP 7

STEP 8

Tear and adhere some random pieces of script vellum on the front of the wallet, thinking about where they will be visible when your create your front paper pocket.

Tear a sheet of your chosen decorative paper into 2 triangular shaped panels. Applying tape down the sides and bottom **ONLY**, you need to adhere to the front of the wallet so the 2 panels overlap slightly at the bottom, thus creating a torn pocket as shown here (the tool has been placed inside the pocket to show you the finished result).

Use your papers and vellum to create pockets on the inner pages of your wallet.

Now have fun creating toppers, tags and bookmarks to go inside your pockets. Use your punches, twine, ribbon as required, blending all around the edges of the papers with the Vintage Photo. Stamp or adhere sentiments where you wish, to fit the occasion!

STEP 9

One of the bookmarks can be placed inside the front pocket of your wallet.

STEP 10

The other toppers, tags and bookmarks can be placed inside the inner pockets and voila!! A beautiful giftable for a loved one or friend.
