STEP 1

Choose your decorative sheet from the Passing By paper pack and a coordinating background paper from the Bokeh pad. Trim the Bokeh paper to 3 1/4 x 7" and the Just Passing By paper to 3 x 6 3/4".

STEP 2

Adhere the papers together and then onto your DL white card blank.

STEP 3

Choose 2 decorative pockets, a rectangular and a triangular one, score and fold along the lines then apply red liner tape as shown. Ink around the edges of the pockets with your Midnight ink.

NB:

As you progress through the next steps, ink around **ALL** the edges of the pockets, tags, tabs etc with the Midnight ink.

STEP 4

Add first pocket at bottom of DL card.

STEP 5

Adhere second pocket to the left, as seen here.

STEP 6

Make up the flap envelope in the same way, scoring the lines and using red liner tape to secure.

STEP 7

Create your decorative tags, punching holes and threading with your chosen ribbon.

STEP 8

Die cut a selection of the various tabs from the papers.

STEP 9

You can adhere your tabs in-between two toppers, to create pull-out elements.

STEP 10

Cut out a selection of sentiments, again inking around the edges.

STEP 11

Adhere your sentiments to any of the elements and then pop them all in the pockets on your DL card.
