STEP 1

STEP 2

Choose TWO coordinating papers. Trim your focal design sheet to 6" square and your background paper to 6 3/4" square. Blend around the edges with the Frayed Burlap Ink.

Adhere the smaller sheet onto the larger.

Tear a panel of vellum the same width as the background paper and adhere across the bottom third. Tear a slightly narrower panel of decorative paper (same width) and adhere across the vellum, then tear a smaller panel of vellum (same width) and adhere across, as seen here.

STEP 3

Adhere to your cream card blank.

STEP 4

Die cut a selection of foliage/leaves from the papers in the collection. Die cut the NOEL mat and layer, from the Festive Baubles collection, in coordinating papers and adhere together.

STEP 5

To finish, use a mixture of wet glue and foam pads to create and adhere your 3D foliage display, to the left of the torn paper/vellum panel.
