STEP 1

STEP 2

Place the dies on the coordinating papers and run through your machine. If you find they won't line up then just turn the paper over.

Mould the papers with your fingers then adhere together to create two 3D flowers. How many petals you add is up to you.

STEP 3

Use the Foliage Adornments to die cut LOTS of foliage from different papers you may have...then you can keep them all in a tub for future use!

STEP 4

Trim a piece of cream card to 6 x 6" and run through the Pebble Dash embossing folder. Use your Distress inks to add colour.

STEP 5

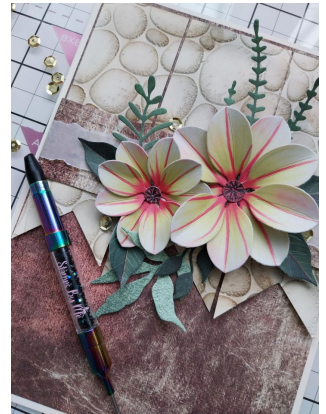

Use your trimmer and banner punch to create three banner tags.

STEP 6

Trim coordinating paper from the Tailored Threads Foundation Pack, to 5 3/4 x 7 3/4".

STEP 7

Adhere the three embossed tags onto the paper. Cut a narrow panel from the same paper and adhere across the tags as seen here. Tear a smaller panel of vellum and place across the paper panel, tuck the ends over and adhere on the reverse with a tape runner or double-sided adhesive tape. Adhere this to the front of your cream card blank.

STEP 8

Use foam pads or 3D glue gel to create and adhere your floral display. Add a few sequins around, on and just poking out, from your display.

STEP 9

Use stickles to add glitter and sparkle to your card.

STEP 10

To finish, cut the solid **GORGEOUS (Floral Fusion Collection)** from coordinating paper and the detailed from cream card. Adhere together and secure at the bottom of your card.
