STEP 1

STEP 2

Tear a sheet of floral vellum and adhere to the front of your white 6 x 8" card blank. Use a tape runner as it doesn't show through vellum as much as other adhesives.

Use the frame outer die to cut a panel from one of the scenic papers.

STEP 3

Secure the detailed die in the centre of the panel and run it through your die machine.

STEP 4

Cut a piece of white card same dimensions as the paper panel and adhere the frame on to this (leave the bottom edge loose for now as you'll need to tuck things under there).
Fussy cut the cuteee rabbits from the paper pack and adhere so they are sitting behind your decorative frame. You can now adhere the bottom edge of the die cut frame to the white card panel.

STEP 5

Ink around the edges of your die cut topper with Heather and then adhere to the centre of your vellum prepped card blank.

STEP 6

Add lots of sparkle and glitter as required.

STEP 7

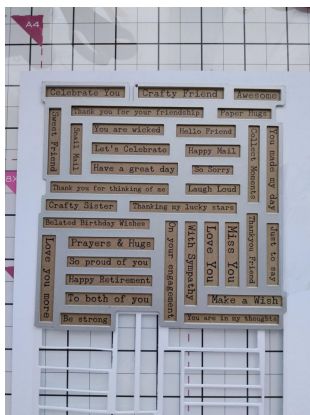

Using the dies as a guide, cut ONE drop from the Sepia washi roll. Lift up the backing sheet along one end of the tape and adhere across the top of an A4 sheet of white card. Slowly peel away the backing, as you use your hand to smooth the washi tape down on to the card. Once the backing has been fully removed, you can burnish the washi to ensure there are no air bubbles or creases.

STEP 8

Line up the second die, secure in place and run it through your machine.

STEP 9

Once all elements are die cut, pop out the sentiments, pick out the one you are using for this project and keep the rest in a tub for future projects.

STEP 10

Finally, use foam pads to adhere your chosen sentiment tab to your card, where preferred.
