STEP 1

Ink up the Cobbles stamp with the Iced Spruce Distress Oxide.

Spritz with water and stamp on to the 7 x 4 3/4" white card. You can reink and stamp, until you achieve the desired effect.

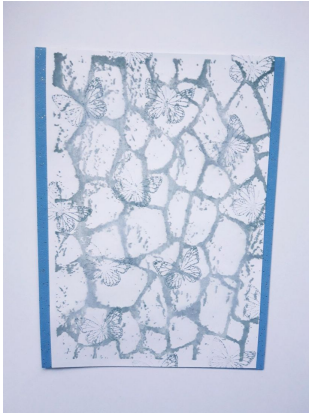

STEP 2

Ink up one of the butterfly stamps, from the Textured Wall Stamp Collection, with the Iced Spruce Oxide.

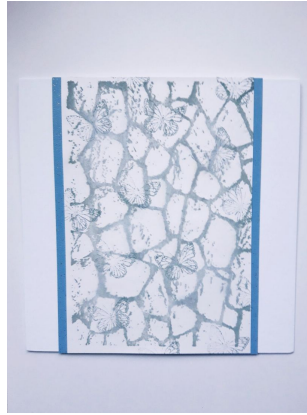

Stamp randomly, first and second generation, on to your cobble background. Reink and restamp again, until you are happy with the background you have created.

STEP 3

Once your background is **dry**, adhere it to the blue glitter card, so the top and bottom are flush, and there are equal gaps of blue card visible left and right.

STEP 4

Adhere this on to the front of the card blank, so the top and bottom are flush, and there are equal gaps of white card blank visible left and right. Set this to one side.

STEP 5

Ink up the **Imala Rose Ornament**, with the Onyx Black Versafine. Stamp on to the 7 x 5" white card, and once the ink is dry, cut it out.

STEP 6

Paint your stamped image, using your watercolour paints. You can use the white Confetti paint to add accents and highlights, if required.

STEP 7

Once the paint is dry, splatter your painted Rose Ornament with the white Confetti paint.

STEP 8

Once dry, adhere your **painted Rose Ornament** around the left, top corner of the stamped background, using either wet glue, or foam pads to add dimension.
