UN PROYECTO DE NUESTRO PROGRAMA EN VIVO - BRAND SHOWCASE IN THE HTCN STUDIOS - 25 FEBRUARY 2022...

SOBRE ESTE PROYECTO

A mixed-media card combining watercolour washes with stamped rose and watch imagery, layered with coloured wood pieces and mounted on black card for contrast. The design builds dimension through loose painting, fussy-cut stamps, and coordinating MDF embellishments.

CONSEJOS DEL PROGRAMA

- You do not need to use waterproof ink if you allow the stamped images to dry long enough before applying watercolour.
- Do not worry about perfection—allow colours to blend naturally and embrace the mixed-media aesthetic.
- Adding a black card backing behind your topper frames the design and brings colours to the foreground.
