27 SEPTEMBER 2026

Create a beautiful DL-sized card featuring autumnal fussy-cut flowers and a butterfly arranged in a cascading design on a warm tartan background. This project from the Golden Harvest card kit combines layered die-cut elements with dimensional foam pads and sparkle embellishments for an elegant harvest-themed greeting. TIPS FROM THE SHOW

- You can cut into the card blanks and envelopes from the kit to create different card styles rather than just using them as-is.
- Use foam pads to raise elements and create dimension on your card.
- Stickles are inexpensive and finish projects beautifully—apply them to centres of flowers, create pearl effects, or frame details.
